### ProSolve™ Temporary Linemarker Paint 750ml Aerosol

The ProSolve™ Temporary Line Marker paint has been the number 1 choice for professionals for a decade, with 7 colour variations to choose from. Colours stay vivid and bright for approx. 4-6 weeks (depending on application and weather conditions). This water-based product is easy to remove and can be used on a multitude of products.

Available in white, green, orange, black, red, blue and yellow.

### ProSolve™ Semi-Permanent Linemarker Paint 750ml Aerosol

A great quality line marking paint. With 46.7% paint solids this is an excellent line marker that is very hardwearing with great colour and touch dry in minutes. You will always get a good solid, brighter colour.

Available in white, green, orange, black, red, blue and yellow.
